On or About August 4th 2017 around 1:50 pm or 2:50 pm I was told that my visit was over. There was one more person receiving a visit besides myself that saw what happened to me. Friend Cesar Rodriguez CC# 16007620. He's willing to testify on my behalf and be my witness.

The officers at the visiting area including officer Mcann Badge # was already mad at me, because I took an extra minute or two to terminate my visit. Inside the frisk room an unidentified officer asked me for my I.D. and said that all my visits were done from now on. I asked him what I do wrong. He answered "you know". Then while I was on my underwear and socks no shirt no pants I asked him (Non Hostile and I wasn't belligerent at any moment) "why are you being a--hole to me. Officer (unidentified and Mcann) said I was Done. I was sprayed, handcuffed, shackled, beaten for 15 long minutes (about) they broke my teeth and severely hurt my spine with a metal object. They kept stomping in the back of my head with their steel boots till they broke my tooth. (see Attachment)

IV. A. If you are claiming injuries as a result of the events you are complaining about, describe your injuries and state what medical treatment you required. Was medical treatment received?

They broke one of my teeth (front right tooth) to the core. My spine has a bump or two due to a metal object, they hit me with several times. I have severe back pain, headaches. I feel dizzy at times. Have bad nightmares from the beating almost every night. I wake-up every two hours at night (loss-of sleep) I can barely sleep. I lost power in my vision due to the spraying. They sprayed me twice. I've gotten treated for my injuries only once, on August 4th 2017 that's it. They try to tell me there's nothing else they can do. They've given me NeProxen (anti-inflammatory) medicine for my back. And Ibuprofen for my tooth pain. My tooth cap came off 10 days after they put it on in the hospital. And the dentist here told me to get it done on the outside (It's called a Bonding).

Attachment continuation

While They were Beating me, One officer, I believe it to be Officer McCann's Voice (because I seen him later working on the ~~ter~~ or floor I was located B2A. I immediately recognized him as one of the officers that beat me and his badge name read (his shirt read) "McCann" or "Mcann". Tall blond man - Young, And I also remembered (recognized) his distinct voice). He said "You like touching little girls you prick". I tried to tell him "I'm not here for that." ~~But~~ he continue to beat me up with other officers even after they sat me in a wheelchair. I was trembling and crying, bleeding and severely hurt. They broke my tooth. And severely injured my back ~~this also stay~~ I have a bump on my spine. I have Bad nightmares every night. I also get severe headaches. I haven't been the same since the incident (the beating). I jump all the time, and I have low self-esteem now because of my tooth and lip. I also have a fat lip because of the stomping on my head from the officers. I'm seeking Justice. And A Grand total of One million Five hundred thousand dollars and zero cents. (\$1,500,000.00).
